CANADIAN DIRECTORY

OF

AGRICULTURE AND FOOD

MARKETS INFORMATION AND SERVICES

The publications and services described within this directory are those provided by governments and industries in Canada. This directory does not claim to be all inclusive.

The services are divided into five major commodities (Livestock, Poultry, Horticulture, Dairy, Grains and Special Crops) and a final section titled Combinations. Within each section the publications and services are listed identifying the originator, format, frequency, sources and a brief description of the contents of the publication.

The publications and services contained within each section are uniquely numbered and may be easily referenced by the index which appears at the beginning of each section.

Feedback regarding omissions, deletions or changes would be welcomed and should be directed to:

DIRECTORY INDEXING SYSTEM

A four digit coded numbering system will be used in this directory.

The four digits will be divided by a decimal point.

The first digit represents the commodity section as follows:

10.00 Livestock

20.00 Poultry

30.00 Horticulture

40.00 Dairy

50.00 Grains and Special Crops

60.00 Combinations

The second and third digits identify, geographically by blocks, the originator or originating site of the service or publication

00.00 to 00.49	Agriculture Canada
00.50 to 00.99	Other Federal Government Departments
01.00 to 01.49	British Columbia
01.50 to 01.99	Alberta
02.00 to 02.49	Saskatchewan
02.50 to 02.99	Manitoba
03.00 to 03.49	Ontario
03.50 to 03.99	Quebec
04.00 to 04.49	New Brunswick
04.50 to 04.99	Nova Scotia
05.00 to 05.49	Prince Edward Island
05.50 to 05.99	Newfoundland

The fourth digit uniquely identifies the service or publication and which are then grouped by government, commissions, boards, associations and industries.
